

## HARPSICLES BY REES HARPS

### SHARPSICLE® HARP - \$659.00

The Sharpsicle™ Harp has levers on C & F strings, making it well suited for Celtic music. It can be played in the keys of C, D, G and the relative minors and it has bridge pins on all the strings so additional levers can be added later if desired. This is a great, budget friendly model to start on. The Sharpsicle™ Harp is incredibly popular with harp and music teachers for use with students. Available in natural maple, black, white, red, orange, yellow, green, blue, purple and pink. Comes with string chart and tuning wrench.

- 6 lbs (2.72 kg)

### FLATSICLE™ HARP - \$704.00

Musicians who are comfortable on other instruments often begin their experimentation on harp with a Flatsicle™ Harp. The Flatsicle™ Harp has sharpening levers installed on the C, F & B strings, allowing the player to play in the keys of C, D, G, F and the relative minors. On this instrument we recommend that the B-string be tuned down to B-flat and sharpened to B natural for the keys of F and D-minor. As with the Sharpsicle™ Harp, the Flatsicle™ Harp can have levers added later as needed. This model is extremely popular with music therapists and is recommended by the International Harp Therapy Program. It comes with a string chart and tuning wrench.

- 6.2 lbs (2.81 kg)

### FULLSICLE™ HARP - \$924.00

The Fullsicle™ Harp has full levers which makes the complete range of lever harp music available. This harp can be played in 8 keys, Eb, Bb, F, C, G, D, A and E and the relative minors. The Fullsicle™ Harp is well loved and played by traveling harp professionals and skilled amateurs all over the world. Fullsicle™ Harps also tend to be the favorite of those with general music knowledge or those who play other instruments like piano, guitar and violin because having full sharpening adds considerably more flexibility and opens musical possibility. Each Fullsicle™ Harp comes with a string chart and tuning wrench.
